Auckland

Dear Nigel,

It is with a large amount of gratitude that I write to you today to thank you sincerely for your support of our recent very successful Camp Quality 25th Anniversary Charity Black Tie Dinner and Auction.

In early January when we were approached by Camp Quality to convene and help organise this major fundraising event we took on the task with full commitment but really not knowing how successful it would finally be.

During the ten weeks that followed we then had to overcome many obstacles in bringing the event together.

Last Thursday night at 6.30pm the evening rolled out to be a very enjoyable and hugely satisfying and very successful event.

\$50,000 was raised from the event which is no small amount of money to raise by any comparison.

I had the privilege of personally thanking many of the generous supporters of the event on the evening. However, I could not let the opportunity go past without formally writing to everyone that supported the event and sincerely thank you for your generosity that made the night so successful.

Whether you booked a table, donated goods or services, put your hand up at the Auction, bid on the silent auction or provided support in the other many ways people helped – thank you.

Thank you from all the people at Camp Quality and especially the young cancer sufferers who will benefit directly from your generosity and support.

It was a humbling experience to directly support this low profile, but very worthwhile cause and raising \$50,000 just made the event worth all the effort.

Finally, thank you once again.

Kind regards

David Wills
General Manager
