

TO WHOM IT MAY CONCERN

RE: MR NIGEL KARL

I have known Nigel for the past 4 years.

As Regional Manager of Camp Quality Auckland/Northland it was my responsibility to organise fun filled camps for children living with Cancer between the ages of 5 and 16 years.

Nigel, knowing the commitment of all the voluntary staff at Camp Quality offered to bring V8 Super Cars to our summer camp to give the children rides. This has now grown in the past two years to a full day at Pukekohe Race Track. This year seeing 120 large trucks in convey around the track, a number of which gave rides to children and their families along with V8's and supporting Car Clubs/Car Vendors. Local hero Greg Murphy along with other Celebrities attended the day giving rides and signing autographs...

He also organised all the requirements for the day i.e.: track marshalling, food and beverage for not only Camp Quality and their families but all the voluntary people in attendance.

The organisation for this day was a year long in the making. Nigel not only ran the day he also fund raised for the event and had time to give the children rides in his V8 Placemakers Shadow Car. He also ran an auction with the proceeds being presented to Camp Quality.

Nigel has shown to be a very enthusiastic and capable person with the ability to bring people into a team situation to organise and run such events. He is one of a kind!

I have no hesitation in endorsing Nigel's application.

I wish him every success for the future.

John Green
Regional Manager
Camp Quality Auckland/Northland
