Dear Nigel

RE: CAMP QUALITY JANUARY CAMP – Wesley College

What a week and what a grand finale!

With the weather fine throughout the week all planned activities were able to be run. Once again the Lions, Free Masons and the English lodges plus the many business houses and friends rallied in support to give these Camp Quality campers a memorable week.

On Monday night the seniors, 12 to 16 years, camped-out on the college farm. For most of the 60 who took part in erecting their own tents, cooking their own meals and fetching wood for the bonfire was their first experience in a back to basics kiwi camp out. Great fun!

The rest of the week's program covered a variety of activities. The Police turned out in force giving a mock car chase and capture, booze bus display and even the Eagle helicopter dropping in.

As for Friday, what a way to finish camp.

Nigel my sincere thanks from all at Camp Quality for your awesome organization in running the Pukekohe race track event. With over 80 cars and trucks taking campers, companions and staff around the track and the convoy back to Manukau was a highlight all will remember.

Would you please convey the thanks of Camp Quality to Placemakers and all that gave their time, cars, trucks and food to make this a wonderful day.

If the world was a perfect place there would be no need for Camp Quality, but until that day Camp Quality is a very special place to be.

Thank you once again.

Yours sincerely
